Bride's setup guide 2026

Everything your home needs, section by section

A print-ready checklist of everything your new home needs, with an approximate price from Egyptian stores next to each item.

423	18	29 November 2026
items	sections	prices as of

Your home will cost about

Setting up this home will cost roughly EGP 205,000 to 591,000.

The first number is for budget choices and the second for higher-end ones, counting only items with store prices. Prices change; the live guide always has the latest.

Open the live guide

Prices update daily, and you can add any item to your trousseau list in one tap.
